

Dear fellow Bandidos,

We have developed a Commemorative Coin designed specifically for the 5/60th Bandidos. Below is a great illustration and specific details for ordering the coin. This coin was developed by 5/60 Bandidos because of the specific interest shown in it at the 5/60 Reunion in Wichita!

The coin is in now in production with shipment date of late August 2010. We hope to have a sufficient quantity; however, in order not to miss out on these great coins, for each coin pre-ordered a 25% deposit is required.

SIZE: 2"

The coin is a full 2 inches in diameter cast in heavy, solid bronze, with the initials L.A.G. engraved into it in honor of 1LT Larry A Garner, the "Original Bandido". It is epoxy coated on both sides so that the brilliance of the color will never fade of wear off.

These beautiful and historic coins are priced at only \$10.00 per coin including shipping & handling.\* An order of five or more (shipped to the same address) will be discounted 10%. If you are interested in purchasing one or more of these coins, please contact me or Ken at the email or phone number listed below. We can be reached most of the time and will reply to all calls and emails.

We would also like to supply t-shirts and/or hats with 5/60<sup>th</sup> designations as well, but before we proceed on them, we must know if there is interest by the membership. The hats and t-shirts would be similar to the items currently for sale on the BCA website, but with significant 5/60<sup>th</sup> Bandido Charlie designations. 5/60 Bandidos, would, of course, play a large part in their design

Your input is essential for these projects to succeed. We cannot do it without your kind help. We are here for you and will accommodate the membership in any way we can.

As a note, those who served as Bandidos in the 1/16 should also be interested in these coins, as the 5/60 is the heritage of the modern day Bandido. I know I am!

Thank you.
